

Angelina Ballerina's Magnificent Memory Box

Little stars with big dreams need a special place for prized possessions and mementos – the first pair of ballet shoes, recital programs and dried flowers, photos and newspaper clippings. Transform an ordinary shoebox or craft box into a special treasure keeper and fill it with magnificent memories!

The following activities are designed for parents and children to do together. Supervision of your children with materials such as glue, scissors, small jewels, etc is strongly recommended.

Time: 20-30 minutes

To prepare Angelina Ballerina's Magnificent Memory Box you will need:

- 1 white box (a shoe box with the bottom and top pieces covered in white paper works well)
- Assortment of small stickers, flowers, jewels, ballet-inspired words and photos
- Small glue dots or glue stick
- Markers

Steps to Success:

1. Lay out the decorative items and assign different items different sides – remember, the top will take the biggest, boldest items.
2. Using glue dots or a glue stick, adhere the items to the top, the front and each side (you may not need to decorate the back unless all four sides will be on display).
3. Begin to fill the treasure box with magnificent memories!
