

# Angelina Ballerina's Spotlight Frame

Budding ballerinas want to showcase their accomplishments on stage and off. Help your little star capture her big dreams in a customized, Angelina-inspired frame! Frames also make great gifts for Mother's Day, Grandparents' Day or family members' birthdays!

*The following activities are designed for parents and children to do together. Supervision of your children with materials such as glue, scissors, small jewels, etc is strongly recommended.*

**Time: 15-20 minutes**

**To prepare Angelina Ballerina's Spotlight Frame you will need:**

- 1 pink frame (Creatology's Pink Foam Frame with a Pink Ribbon Hanger works well)
- Assortment of small stickers, beads, ballet-inspired words and Angelina's favorite phrases from magazines
- Small glue dots or hot glue gun

**Steps to Success:**

1. Pick your perfect pic and insert into the frame  
(Tip: it is best to do this first so you do not need to put pressure on any 3D decorations later!)
2. Lay out your decorations around the perimeter of the frame
3. Using the glue dots or hot glue gun, secure the items to the frame and lay out to dry.
4. Hang or post on center stage!
